Proposed Requests to U.S. J.I.C. and

1. In preparing NIE-49, we have come to the tentative conclusion that Sweden's position will really be of most importance to us during the initial stages of a general war. To throw some light on two critical aspects of this situation which are not covered in the agency contributions, we have prepared the attached requests to the US J.I.C. and We feel that they would be extremely useful.
